

FRSECURE[®]

Brad Nigh

Director of Professional Services and Innovation

Brad is a passionate information security expert with 18+ years of overall IT experience, including 8+ years of IT management and leadership experience working in 24/7 environments that required top tier technical skills, and efficient project management.

ABOUT

Brad has several years of experience working in highly regulated industries that are required to comply with PCI-DSS, HIPAA, HITECH, Sarbanes-Oxley, OCC, and various state regulatory requirements.

At FRSecure Brad leads the professional services practice, serving businesses of all sizes and in all industries by cooperatively solving the complex issues surrounding information security. Brad's goals are ensuring consistent methodology, improving our existing programs, and innovating and continual development of new offerings.
